### **ID CARE EXPANDS TO MONMOUTH COUNTY Sixth Office Located in West Long Branch, New Jersey**

HILLSBOROUGH, NJ – ID Care, New Jersey’s largest group of infectious disease specialist, has announced expansion into Monmouth County with the opening of a new office in West Long Branch. Located at 211 Monmouth Road in West Long Branch, New Jersey, the newest members of the ID Care physician staff are Ajay Mathur, M.D., Andrew Lee, M.D., and Sukrut Dwivedi, D.O.

I.D. CARE is the most comprehensive group of Infectious Disease specialists in the State of New Jersey and the second largest of its kind in the country. I.D. CARE provides management and care of patients with all kinds of infection including sepsis, Lyme Disease, Cellulitis, Hepatitis, HIV, Chronic Fatigue Syndrome, post-surgical infections, slow healing wounds, fever, etc. The Travel Care division provides comprehensive travel medicine including medical consultation, vaccinations, precautionary advice, and healthcare supplies for international travelers.

The ID Care Monmouth Office is affiliated with the following medical facilities: Monmouth Medical Center in Long Branch; Ocean Medical Center in Brick; Specialty Hospital of Monmouth (Monmouth LTAC) in Long Branch; Specialty Hospital of Kimball (Kimball LTAC) in Lakewood; Health South Rehab Hospital of Tinton Falls; and Shore Rehab in Brick.

ID Care offices are located at 105 Raider Boulevard in Hillsborough; 81 Veronica Avenue in Somerset; 765 Route 10 East in Randolph; 8 Saddle Road in Cedar Knolls; and 3 Hospital Plaza in Old Bridge. The team of 32 Board Certified physicians is affiliated with fifteen additional hospitals and medical centers across north and central New Jersey.

#### **DR. ANDREW LEE**

Andrew Lee, MD graduated summa cum laude from Sophie Davis School of Biomedical Education and earned his medical degree from Mount Sinai School of Medicine in 2001. He completed medical training in internal medicine and infectious diseases fellowship at UMDNJ Robert Wood Johnson University Hospital. Dr. Lee is a member of the Infectious Diseases Society of America and is board certified in internal medicine and infectious diseases. He is a Clinical Assistant Professor of Medicine at Drexel University College of Medicine. He is an attending physician at Monmouth Medical Center, Ocean Medical Center and Long Term Acute Care Hospitals in Long Branch and Lakewood NJ. He serves as a director of Infection Control at Long Term Acute Care Hospitals.

#### **DR. AJAY MATHUR**

Ajay Mathur, MD graduated from the Honors Program at the University of Maryland at College Park with a BS in Biological Sciences, earning election to the Phi Sigma Eta Honor Society. He went on to earn his medical

degree from the University of Connecticut School of Medicine in Farmington, CT in 2001. Dr. Mathur completed his Internal Medicine Internship and Residency at UMDNJ- Robert Wood Johnson University Hospital, where he stayed on to complete his Fellowship in Infectious Diseases.
