

ID CARE PHYSICIANS RECOGNIZED AS 2021 TOP DOCTORS AS FEATURED IN NEW JERSEY MONTHLY MAGAZINE

In recognition of their expert care of patients, several of ID Care's infectious disease specialists were awarded Top Doctors of 2021 by *New Jersey Monthly* magazine – which will be appearing in the November issue. These honors are awarded based on peer reviews from leading New Jersey doctors by specialty.

Consisting of a highly experienced team of over 40 physicians, as well as 10 office locations in New Jersey, ID Care is the largest infectious disease practice on the East Coast and second largest in the U.S. They are dedicated to the prevention and treatment of a wide range of infectious diseases caused by bacteria, viruses, fungi, or parasites – from C. diff and COVID-19, to STDs, tickborne illnesses, and more. ID Care also partners with over 130 hospitals, nursing homes, and other organizations in New Jersey for infection control, antibiotic stewardship, inpatient care, and consulting services.
